FOREWORD

The 1936 Chanticleer presents an innovation in two color mimeographing. For the first time the border design and the division sketches have been printed at school. The spiral binding and the French-folded paper are also features of this issue. The Editor hopes that these new features will combine to make an annual which will meet with your hearty approval.

DEDICATION

W. G. Irvine

We, the Chanticleer Staff

dedicate this year book with the
highest respect to Mr. W. G. Irvine
whose unflagging interest has ever
increased our debt to him. He has
not only rendered us fourteen years
of faithful service, but has train-
ed many youths for careers of un-
limited possibilities.

IN MEMORIAM

Dr. Lester P. Hall

1876 - 1936

School trustee for 21 years,
President of the Board of Trustees
1916-1936, friend of the students,
benefactor of many, and exemplary
citizen will long be remembered for
his kindly spirit and his genuine
interest in all activities of the
schools and community of Dixon.

MARCH OF TIME

By Lois Schroeder.

The history of the Dixon Union High School is one of many interesting changes. The first school, which stood east of the Full Gospel Church, was built in the 1870's.

The faculty sold the school in 1880 and the new school, the Dixon Academy, opened in 1881 and stood where the shop buildings now are.

The school later was called the Dixon Union High School. Purple and Gold were chosen for the school colors and their annual was also called the "Purple and Gold". In 1912 the students believed that they needed something besides color to distinguish their year book, so they changed the name from "Purple and Gold" to "Chanticleer".

The enthusiasm of the students, in 1915, was due to their new school building, the present Dixon High School. As years passed, many improvements were made: tennis courts were laid; shop buildings erected; the gymnasium and auditorium were built; and an athletic field was purchased. This now has been planted into a turf.

The school colors, Purple and Gold, no longer held their place of distinction in 1931 for they were changed to Green and White. Armijo's colors were Purple and Gold and the students thought that Green and White were more flashy.

This year the adoption of a RAM, our new insignia, gave rise to the movement for changing the name of our year book. The decision of the high school students to adopt some type of insignia is in keeping with the general trend in high schools and universities where it has become a popular custom. Since Dixon is in a sheep raising country, we found the Ram an appropriate emblem. After we had chosen the RAM, the staff decided to use the insignia in our annual. This is the first time this has ever been done and sketches of the RAM will be found on the division pages.

With the adoption of our insignia many students felt that the title of our annual should be in keeping with it. There was a strong movement toward changing the name. Among those suggested were: "Ram Pages", "The Rambler", and "Dixon Hi Lites". Since "Chanticleer" is the name mentioned in the constitution, a two-thirds vote was necessary in order to change it. For several weeks campaigns and debates were waged in roll rooms, before school, and during noon hours. Several polls were taken, but the necessary two-thirds votes were not received so "Chanticleer" has remained the name of our annual.

SENIOR CLASS

By Dorothy De Mello

Eggert Rohwer President
 Emil Seifert . . . Vice-President
 Ivan Moore . . . Secretary-Treasurer
 Miss Corneliussen . Class Adviser

Twenty-seven new students entered high school in the fall of 1932 and under the assistance of Miss Corneliussen became organized as the Class of 1936. Those who were elected as officers were: Clyde Smith, President; Emil Seifert, Vice-President; Roseallyne Reeb, Secretary-Treasurer; and Emil Rossi, Class Representative. After initiation at the Freshmen Reception we became full-fledged members of the Student Body.

During our Sophomore year our class officers were Weston Averill, Alda George, Lois Schroeder, and Eggert Rohwer. We remained on the side-lines that year, so as to be prepared for the big year ahead of us.

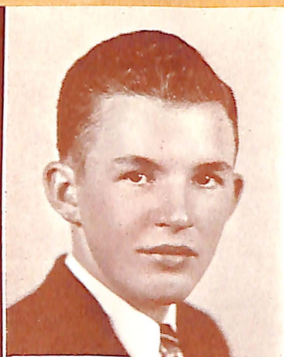

Our Junior year was filled with many activities. A one-act play, "The Florist Shop" was presented at the Dixon Theatre on Junior Night. For the Junior Prom the gym was converted into a ship, the U.S.S. '36, and a "Bon Voyage" greeting was extended to the Seniors. Later in the year we again honored the Seniors at the traditional Senior Banquet.

Although our number has decreased somewhat, our Senior year has been quite an eventful one. Some of the most outstanding events were a visit to the University of California, a snow frolic at Cisco, the Senior play, and an educational trip to San Francisco. Now on the threshold of graduation we look back upon our high school days as happy memories never to be forgotten.

SOCIAL ITEMS

DIXON--Mrs Dorothy De Mello Kowaii is home on a visit from Honolulu. Yesterday she was entertained by a young matron of Dixon, Mrs. Lois Schroeder Dunnicliff IV. Mrs. Kowaii, who married a rich pineapple grower two years ago, gave a short talk to the populace of Dixon on her travels. (This newspaper was going to print the short talk she gave but after listening for 3 hrs. the newspaper reporter gave up.)

GREEN PASTURES--The National Butterfat Convention reached its high point yesterday when Miss Alda George was crowned Queen of the Dairymaids.

SAN FRANCISCO--Miss Roseallyne Reeb was married today to Lieutenant Joe Blow of the U. S. S. Saratoga.

SPORTS

Tonight at the Memorial Auditorium "Man Mountain Dean" meets "Kid Foothill Averill". Each one of the wrestlers is sponsored by two rival trucking companies. Averill is sponsored by the Move Moore Trucking Company owned by "Grizzly" Moore. Dean is sponsored by the Muscle Bound Trucking Co. owned by "Notch" Facino.

ACTRESS ANNOUNCES

FOURTH MARRIAGE

At the premiere of her latest picture "She Married For Love", Bernice Strong announced her marriage to Count Mildew. This is Miss Strong's fourth marriage. The wedding is to take place in her home. She is to be married

by the well known clergyman, Clyde Smith. Miss Strong also announced that all of the gowns for the bride and bridesmaids will be created by none other than the great Monsieur Bruce Holly.

MAYOR ROHWER WELCOMES

BILL WILSON AND ORCHESTRA

Dixon was honored by the arrival of Bill Wilson and his orchestra, featuring the renowned torch singer, Estella Weber. Wilson has a week's engagement at the "Kit Kat Club", one of the best nite clubs in Northern California, owned by Alice Bello and Dorothy Schoenherr. When Wilson arrived Mayor Rohwer presented him with the key to the city.

STATE LEGISLATURE CONVENES

Court stenographer, Ann Barella was kept very busy today while Senator Emil Seifert gave a 2 hr. speech trying to convince his fellow legislators that the law "No More Baking in the Home" must be passed. Out in the lobby today, our reporter saw Emil Rossi, a foreign newspaper correspondent.

AGRICULTURAL DEVELOPMENTS

At the College of Agriculture at Davis, reports come that Miss Phyllis Tynan, Dean of Women at the Farm, is trying to stop the activities of Ida Thomsen, the Campus flapper. Miss Tynan declares that Ida is the cause of why the boys at the school aren't paying enough attention to agriculture. Miss Thomsen is taking an advanced course in "How to become a farmer".

JUNIOR CLASS

By Barbara McIntyre

James Parsons	President
James Seyman	Vice-President
Ora Belle Tutt	Secretary-Treasurer
Marjorie Madden	Class Representative
Miss Eggert	Class Adviser

The Junior Class decided to give a carnival this year instead of the customary Junior Night at the Dixon Theatre. Joining with the Sophomores, we presented a Leap Year Carnival on February 28, which netted a very satisfactory return for each class. Various sales and class dues also helped to put our treasury in a condition to finance our activities for the year.

For our Junior Prom on April 24, we transformed the gym into a Hawaiian paradise. Leis were given as favors, and punch was served by grass-skirted maidens. Several specialty numbers also carried out the theme of the evening. A happy throng enjoyed the dancing until the last strains of "Aloha Oe" brought the evening to a close.

The Senior Banquet was our last social activity of the year. Members of the class worked diligently to make this event the success that others during the year had been. Twenty Seniors, the members of the Faculty and the Board of Trustees enjoyed a delicious dinner, after which Toastmaster James Parsons called upon representatives of each group for appropriate remarks.

The Junior Class has taken an active part in both academic and extra-curricular affairs. Three of our number were eligible for the Honor Society and several others received honorable mention. Throughout the year the class has shown a fine spirit of cooperation in all its undertakings.

SOPHOMORE CLASS

By Mary Rosa

Jack PhillipsPresident
Mary Rosa	Vice-President
Delphina Stolp	Secretary-Treasurer
Virginia Almeida	Class Representative
Mrs. Humphrey	Class Adviser

We, the Class of "38" completed our first year under the leadership of Gerald Cowden, president; Delphina Stolp, vice-president; Whitney Grady, secretary-treasurer; and Dorothy Smith, class representative. As Freshmen we very meekly obeyed the instructions of the faculty and upper classmen.

As Sophomores we began to assert ourselves by taking a prominent part in school affairs. Our number increased to thirty-eight. Those who joined us during the year were: Morene Craythorn, Norma Correll, Stanton Shuman, and Edgar Reihl.

The Leap Year Carnival, given on February 28, in conjunction with the Juniors, was an occasion of merrymaking and dancing. Ora Belle Tutt was crowned Queen of the evening after defeating Delphina Stolp, her closest contestant, in a campaign of three weeks.

Our Leap Year Party provided unique entertainment for our fellow students. Originally planned for February 28, the date was changed to February 14, to make way for the Leap Year Carnival. An epidemic of the flu forced us to postpone our party until March 6. However, the delays did not dampen our enthusiasm. On the night of the long awaited occasion the girls escorted their best beaux to the school and filled their dance programs in true leap year style. This was our last important social activity of the year.

FRESHMAN CLASS

By Barbara McKenzie

Edward Seifert	President
Eugene Crampton	Vice-President
Barbara McKenzie	Secretary-Treasurer
Jack Reichel	Class Representative
Mrs. Bloom	Class Adviser

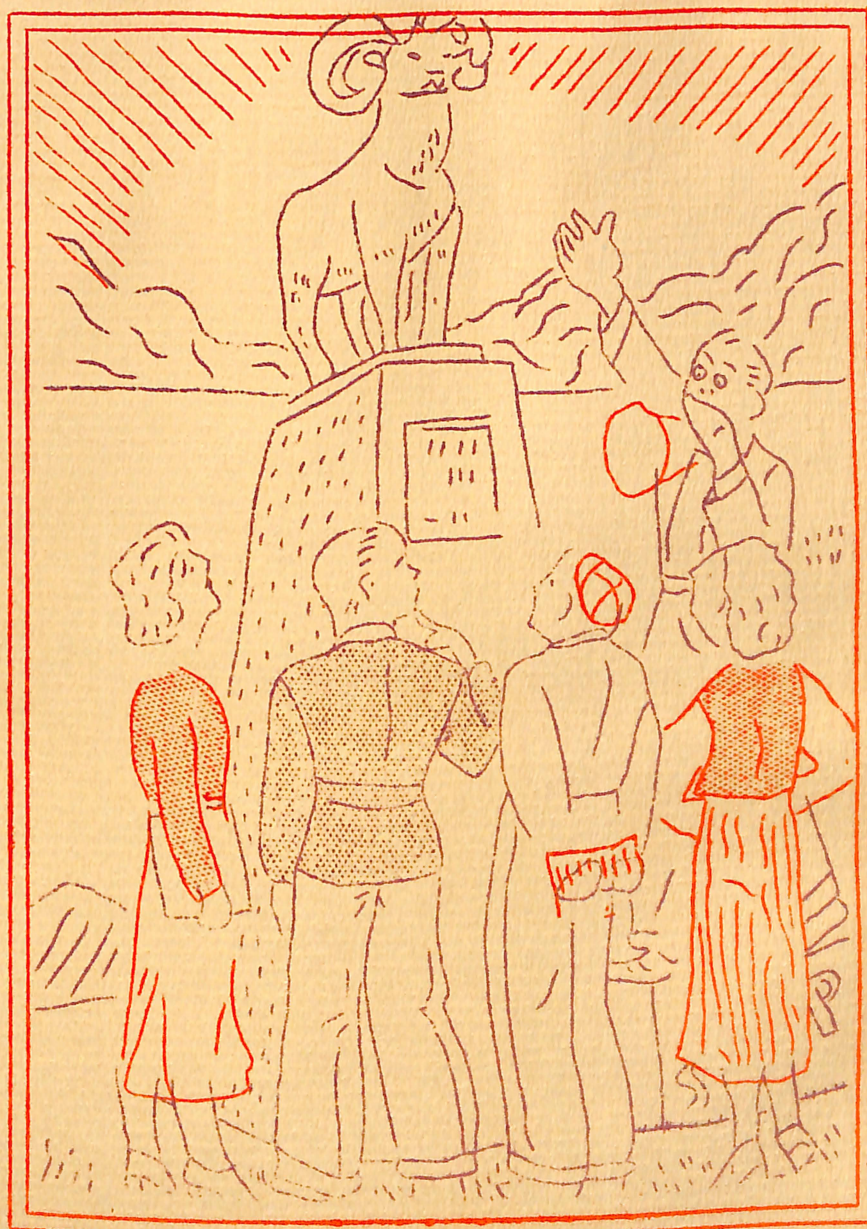

We are forty very inquisitive Freshmen who entered high school this year to begin our four year career. Our social debut was made at the Freshmen Reception where each of us was called upon to take a part in the program. Later on we showed our talents as amateur performers in "Colonel Crow's Amateur Hour", which we presented before the assembly. Vincent Rossi who played the part of Colonel Crow introduced the various contestants, several of whom received the gong. The prize winners were Marjorie Behrman, Dorothy Dawson and Helen Kilkenny. The program was sponsored by the Anti-Lean Company.

Our most important social venture was a Saint Patrick's party which we gave on March 20. For weeks before the party, strains of "My Wild Irish Rose" and "The Irish Washerwoman" could be heard at noon and after school when we were practicing for our program. When the eventful night arrived, we opened the doors of the auditorium revealing a "Bit of Old Erin". Several of our Irish Colleens entertained with a one-act play entitled "The Proposal Dress", and an Irish jig also added to the merriment of the evening.

We are proud to say that our Freshmen have taken an active part in all school affairs. Several of our number ranked high in scholarship and became members of the honor society. Many of us also took a prominent part in sports. We are confident that next year we shall be able to continue the good beginning that we have made.

SCHOLARSHIP SOCIETY

By Margaret Jane Carpenter

During the first semester the chapter was inactive due to the small number of members eligible. They were Marguerite Reimers, Estella Weber, and Margaret Jane Carpenter, with Miss Eggert as adviser.

The second semester found Dean Dunnicliff, Dorothy Dawson, Marguerite Reimers, Annie Aye, Virginia Almeida, Jeanne Larson, James Seyman and Estella Weber eligible for membership. At the first meeting Dean Dunnicliff was elected President, James Seyman, Vice-President, and Marguerite Reimers, Secretary-Treasurer. The annual Honor Day was observed by skipping school and taking an educational trip to San Francisco.

PUBLIC SPEAKING

By James Parsons

The principal aims of the newly organized public speaking class are: To train students to think and speak on their feet, to stimulate thinking along matters of general and current interest, and to encourage discussion and formation of ideas and opinions.

Under the direction of Miss Cool, members of the class have furnished several numbers for the student body and have appeared before various civic organizations. The class also had charge of an evening program during Public School Week.

The class was divided into debate teams which presented opposing views on current issues. Standards for judgment of movies and books were also an important feature of the year's work.

VARSIITY FOOTBALL

By Eggert Rohwer

The Rams under Coach Mitchell had the most successful season since 1932, when they won the northern section championship.

The locals began the season with a win over last year's S.C.A.L. Champions, the Vacaville Bulldogs, by a score of 12 to 7. The next team to fall before the conquering Green and White was Dixon's old rival, Davis, last year's northern section champions, by a score of 16 to 7. Then came the first defeat of the season at the hands of Clarksburg. This game was scoreless until the 4th quarter, when Clarksburg completed a pass from their own 8 yard line and ran 70 yards for a touchdown.

The Rams wiped out this defeat by taking the San Juan gridders 28 to 6. The feature of the game was the kicking of Captain Wilson who scored four place kicks.

The next game, despite adverse conditions, found Esparto going down to defeat by a score of 19 to 0 on the latter's turf. Dixon was now tied with Winters for first place, each team having two wins and one loss. But the Red and White's were unable to stop the home team. Winters scored early in the first quarter and it looked bad for the Dixonites. However, the Ram machine got under way, scoring three times before the final whistle blew.

An unexpected defeat at the hands of Armijo after leading in the first half 8 to 0, was one of the bitterest disap-

1936

pointments of the season. Although the Rams outplayed the Indians all through the first three quarters, a completed pass together with a touchback gave the southerners a one point victory.

This year the Rams lose five of the varsity through graduation. Seifert at quarter--one of the best at carrying the ball--Captain Wilson and W. Dutra from the line--good men on any club--Rossi at half and Rohwer at end.

Those who made their letter were:

Wilson***	Green	Seifert*

The second string Rams were not able to display much of their ability due to lack of games, but were always on hand to help out and at times gave the varsity plenty of tough going. They played the Vacaville seconds and won by a 20 to 0 margin, but lost to a Davis team 38 to 0.

A BASKETBALL

By Eggert Rohwer

The season began with a burst of speed, but Lady Luck didn't stay long and the best that could be done was to tie last year's mark. At times the Green and White looked like championship material, however, due to lack of a good defense during the opening minutes of play, Dixon found itself on the short end of the score when the final whistle blew.

The A team started the season with a win over Esparto. This was a hard fought game and was not won until the final minutes of play. Then came two defeats which shook the confidence of the Rams, one from Davis and the other from Winters. Rallying temporarily we took Clarksburg only to fall to Esparto the following week. Finishing the season with a sudden spurt we took Winters and Clarksburg by surprise putting us in third place in the league standing. This brought the total to 4 wins and 4 losses.

This year the A team lose Smith, Capt. Seifert, Rohwer, Wilson, W. Dutra, Rossi, and Holly.

B-BASKETBALL

By Eggert Rohwer

The B Cagers were not very lucky this year losing all of their league games. There was a noticeable lack of substitutes as they had to finish game after game with only three or four players. They displayed good team work, however, and played the league leaders, Davis and Esparto very close games.

	We	They	We	They

C BASKETBALL

By Eggert Rohwer

The Dixon High "C" team upheld the honor of the school by winning the northern section championship and losing by a narrow margin to Armijo for the County title. This year Mr. Williams coached the C's to their victory.

Winning our first game of the season from Esparto and losing to Davis put us in such a position that we had to win all the rest of the games. This we did taking game after game by comfortable scores.

All of this team is composed of freshmen and sophmores and should provide splendid material for next year's B team.

Our league standing was the best for the three classes.

	We	They		We	They
Esparto	28	19	Esparto	31	1
Davis	13	17	Davis	22	14
Winters	27	23	Winters	19	16
Clarksburg	26	15	Clarksburg	24	19

BASEBALL

By Eggert Rohwer

The baseball team has not been able to win any of their games so far. However, they gave Winters a scare by holding them to a 3-1 score. It was very hard to find enough time to get in any practice due to the many extra activities that interfered with this sport, such as track, tennis and swimming.

Cagle and Cowden held down the pitchers mound and did a fairly good job of it. Both will return next year and should help the team out considerably. Captain Seifert and Facino are the only two that will be lost via the graduation route which will practically leave the team intact.

Stolle, who played first base, became ineligible after the first two games. This was a severe set back, but he will return next year.

Home and return games have been scheduled with Winters, Esparto and Clarksburg and it is hoped that the Rams will improve as the season progresses. Those who made up the team were:

A & B TRACK

Greater interest was shown in track this year than for some years. In practice meets at Winters and Vacaville, Dixon took first and second places. Coach Mitchell expects Dixon to place in many events at Davis in the sectional meet this year.

C TRACK

The "C" track team was given a special period by themselves so that they might have more individual instruction. Mr. Williams, with the help of Emil Seifert did the coaching. Most of these boys are young yet and nothing much can be expected of them this year, but should provide fine material for future years.

TENNIS

Dixon has high hopes of taking the championship this year in tennis as six of last years players have returned. As yet they have only played one league tournament, that being with Clarksburg. Dixon won this by a score of three matches to two.

This year the S.C.A.L. rules have been changed so that the school winning the most individual matches will win the championship.

Those who comprised the team for Dixon were:

Boy's Singles	Irving Dietrich*
Boy's Doubles	Emil Seifert, Eggert Rohwer*
Girls Singles	Gail McKenzie*, Alda George*
Girls Doubles	Virgina Almeida*, Barbara McIntyre*
Mixed Doubles	Dorothy Smith, Dean Dunnicliff

GIRLS' ATHLETICS

By Marjorie Madden

Increased interest in girls' athletics has been shown this year because of the new schedule which was adopted. The group was divided into squads of seven girls with a student leader for each squad. The girls were permitted to elect an activity from the various sports offered in each six weeks period.

Swimming was the most popular sport during the first six weeks. Under the direction of Mrs. Bloom and Miss Eggert, the girls were taught the fundamental strokes--the American crawl, the side stroke and the back stroke. Tennis under the supervision of Miss Corneliussen was also offered at that time.

Tennis for beginners, archery and volley ball were the favored sports during the second period.

Volley ball occupied all the girls during the winter months. In a series of games the Sophomores defeated the Freshmen and the Seniors defeated the Juniors. The final series between the Sophomores and the Seniors was won by the Sophomores.

At the beginning of the second semester, basketball, kick-pin and ping-pong were offered. Beginners were encouraged to learn to play tennis and to compete for a cup donated by Mr. George Hedges. Any girl who had not played on the inter-school team was eligible to participate in the tournament. Ida Thomsen and Dorothy Smith met in the final match which was won by Dorothy Smith in two sets, 6-1 and 6-2.

In the spring tennis was limited to the eight girls who wished to try out for the tennis team. Archery provided recreation for seven, and baseball and calisthenics occupied the remaining group.

With the return of good weather, swimming again proved the most popular sport. During the third week in May, the Red Cross provided instruction in life saving for both grammar school and high school students.

A play day held in the latter part of May ended our athletic program. Each of the neighboring schools was invited to send a group of ten girls to participate in tennis, archery, baseball or swimming. Interest in play and recreation is stimulated by these play days, and we hope to have one again next year.

Plans are being considered for the organization of a Girls' Athletic Association next year. The purpose of such an organization is to promote interest in girls' athletics and to uphold the standards of sportsmanship and conduct.

The publication of "The Chanticleer", from a financial standpoint, was a success due to the business firms who contributed to our advertising space. The Staff wishes to express their gratitude to these firms for the cooperation they have given us and we are certain that the Student Body will support them.

The Chanticleer Staff also wishes to thank Miss Eggert and Mr. Mitchell, whose technical advice and explicit direction brought about the successful publication of the 1936 edition of "The Chanticleer".
